

Domaine des grandes Espérances

Les ailes pourpres

Touraine
- Cabernet Franc 100% -

Domaine des Grandes Espérances («High Hopes Estate») certainly lives up to its name. Child prodigy of the Saget La Perrière stable, the estate adopts a liberal, poetic style. Contemporary and forward-looking, the Domaine des Grandes Espérances is currently in organic conversion. But even if good sense is at the heart of the estate's inspiration, pleasure is no less important. The wines are generous and festive, exuding charm and promise. High hopes indeed...

Terroir/Grape varieties : Les Ailes Pourpres emerged on a beautiful October morning from a vineyard of Cabernet Franc planted on flint clay.

Production technical data :

Hand harvesting enabled us to select the finest Cabernet Franc grapes for this wine.

The harvested grapes were then macerated for 4 days in small containers (open barrels). Fermentation took place in the same barrels at 20°C to extract maximum fruit and the cap was punched daily. The wine spent one month in vat and was then aged in barrels (1/4 new barrels) for 18 months.

Tasting notes :

The wine, displaying a beautiful ruby red colour, opens on the nose with dark fruit and spices and finishes with a slight touch of vanilla or even liquorice. Well structured and elegant on the palate, this wine is perfectly balanced with a long, fresh finish.
