

DOMAINE DE TERRES BLANCHES

· BUÉ · EN · SANCERRE ·

Domaine de Terres Blanches embodies Maison Saget La Perrière's desire to produce great wines and symbolises an attachment to quality that has driven the Saget family for several generations. Like a facet rough gemstone, it took expert craftsmanship – namely by consultant Stéphane Derenoncourt's team – to draw the quintessential qualities from the estate's magnificent vineyards. The driving force behind the project, Stéphane and his team were convinced of the potential at Domaine de Terres Blanches and they successfully enhanced the mineral expression of the estate's white wines and the delicacy of its reds through painstaking work in the vineyards and on the soils. The property boasts three Central Loire appellations and offers a true rendition of Sauvignon Blanc sublimated in the Sancerre, Pouilly-Fumé and Coteaux du Giennois appellations.

Sancerre

BELLECHAUME

Grape variety : Sauvignon Blanc 100%.

Soil : This wine comes from our « Bellechaume » parcel which has a surface area of 1.42 hectares. The average age of the vines, planted in « Terres Blanches » (white stones) soils, is 25 years.

Production technical data : The handpicked grapes are pressed in whole and then half are vinified in stainless steel and the other half in oak barrels. The fermentations last for 3-4 weeks. The wines remain separated for ageing, with half in vats and the other half going into new barrels and barrels previously used for 1 vintage, for a minimum of 10 months.

Tasting notes : This stylish, elegant wine shows the stamp of its terroir. On the nose, aromas of white flowers predominate against a mineral backdrop. Energetic and very fine on the palate, the wine offers a lovely array of white-fleshed fruits and citrus aromas before giving way to a long, precise finish.

Food-wine pairings : This wine will pair well with sea scallops. It is also a perfect match with Loire River pike-perch or Crottins de Chavignol goat's cheese.

Serving temperature : 10/14°C
