

Mont des Olivier

The « Mont des Olivier » was planted in 1992 and it's the last plot who increase the appellation. Under the forest, the grapes into this plot have advantages from exceptional microclimate. It was protected to North storm and exposed to sun. The wine obtained by this conditions is very rich with aromas of blackberry, blackcurrant and wood-growth.

Tasting

The smell is very clear with intensive aromas of strawberry and blackcurrant. This bouquet is found in the mouth. This wine is very rich with an unctuous complexity during all the final.

And for lunch ...

Pies, stew, steak with shallots, ashy goat cheese and many other ...
